Disclaimer: This pricing example is provided for evaluation purposes. This quote is intended to further discussions, it is not eligible for acceptance by you and is not a part of a binding contract between us for the services specified. If you would like to purchase the services specified in this draft quotation, please ask Oracle to issue you a formal Quote (which may include an OMA/CSA if you do not already have an agreement with Oracle) for your acceptance and execution and return to Oracle. Your order will be effective only upon Oracle's acceptance of the formal Quote (and the OMA/CSA, if required).
